

**HELP WANTED! Able-bodied volunteers to work one day per month at Habitat for Humanity of Greater Pittsburgh's new ReStore retail location in Edgewood Towne Centre, Exit 77, I-376 East.**

#### **What is a ReStore?**

The Habitat for Humanity ReStore sells reusable house building and home improvement materials to the public. The store accepts donated goods which are sold at 50%-70% off the retail value. All proceeds from the sale of donations help place families in affordable housing in the Greater Pittsburgh area. The ReStore provides an environmentally and socially responsible way to keep good, reusable materials out of the waste stream while providing funding for Habitat's community improvement work. Volunteers work every aspect of the ReStore including customer service, picking up donations, and sorting donated goods.

If you can donate one 8-hour day of your time per month (Tuesdays thru Saturday) at the ReStore, please contact our Volunteer Coordinator Derek Morris at 412-351-0512, extension 14 or email [dmorris@pittsburghhabitat.org](mailto:dmorris@pittsburghhabitat.org).

Stop by the store and ask to speak with ReStore Manager Glenn Bertha, or ReStore Warehouse Supervisor Ross Zappa, or call the store at 412-271-4663. See: [www.pittsburghhabitat.org/shop](http://www.pittsburghhabitat.org/shop) for more info. Thanks for your consideration!
